## PROFESSIONAL SUMMARY

Instructional Development Specialist and practitioner-scholar with 15+ years of experience in higher education, specializing in LMS administration, AI literacy, faculty development, and outcomes assessment. Recognized regionally and nationally for accessible, equity-centered frameworks that translate complex instructional challenges into replicable, resource-neutral practice. Presenter at OLC Accelerate, NJCCC, and Instructure Community platforms; active contributor to statewide conversations on AI policy and academic integrity in New Jersey's community college system. Experienced Canvas administrator, accessibility compliance lead, and original tool developer. Brings a dual perspective as both instructional designer and active classroom instructor across English, humanities, and correctional education contexts.

## EDUCATION

**Master of Arts in Writing Studies** 2015

*Saint Joseph's University, Philadelphia, PA | Magna Cum Laude | Member, Sigma Tau Delta*

**Bachelor of Arts in English (Writing)** 2011

*Saint Joseph's University, Philadelphia, PA | Dean's List | Member, Sigma Tau Delta | Transfer Achievement Award*

**Gloucester County College, Sewell, NJ** 2004–2006

*Dean's List | President's List | Member, Phi Theta Kappa | NJSTARS Scholarship*

## PROFESSIONAL EXPERIENCE

**Salem Community College — Carneys Point, NJ**

**Instructional Development Specialist**

July 2026 – present

*Role reclassified from Academic Technology Coordinator effective July 1, 2026.*

- Partner with faculty subject matter experts to design, develop, and improve online, hybrid, and face-to-face learning experiences through consultation on course design, accessibility, assessment, and educational technology integration.
- Lead educational technology innovation initiatives, including AI integration, academic integrity strategies, and faculty training; serve as institutional GPTZero Ambassador.
- Lead institutional accessibility strategy and faculty support efforts related to course readiness, accessibility, and quality improvement.
- Support program-level learning outcomes assessment through rubric development, reporting, data collection, and MSCHE accreditation activities.
- Develop and deploy original instructional tools hosted via GitHub Pages, including CLEAR, Caption Wrangler, and AI Writing Activity.
- Guide evaluation and piloting of emerging instructional technologies while supporting faculty adoption through consultation, training, and instructional design partnership.

**Academic Technology Coordinator**

2022 – 2026

- Served as primary instructional technology advisor to faculty, providing direct consultation on online teaching best practices, course design, LMS functionality, and technology integration across all modalities.
- Administered and maintained Canvas LMS and full LTI ecosystem, overseeing configuration, implementation, and lifecycle management of integrated platforms including CidiLabs (DesignPLUS, UDOIT, ReadyGO, Cidiscap), GPTZero, Perusall, Padlet, and related tools.
- Developed and maintained comprehensive training materials, documentation, onboarding resources, and faculty support programs, including a multi-module AI Literacy Training Course and Adjunct & Faculty Training Portal within the LMS.
- Held sole institutional ownership of ReadyGO (course readiness and launch compliance) and UDOIT (accessibility scoring and remediation), supporting accessibility review, course quality assurance, and WCAG 2.1 AA compliance initiatives.
- Collaborated with faculty to review and improve online course organization, learner engagement, learning outcomes alignment, accessibility, and effective instructional technology implementation.
- Contributed directly to MSCHE accreditation site visit (April 2025) as primary academic technology representative, presenting on instructional effectiveness and Standard V outcomes alignment.

- Served as Co-Chair, Outcomes Assessment Committee (2022-2024), overseeing Canvas Outcomes infrastructure, faculty assessment workflows, and eLumen Insights partnership supporting MSCHE accreditation.
- Oversaw technology logistics and vendor coordination for academic programs, including Day 1 course material access and institutional OLC membership.

#### ***Salem Community College — Carneys Point, NJ***

##### **Adjunct Professor, English and Humanities**

2014 – present

- Design and teach courses across modalities (in-person, hybrid, online), including experimental ENG101 sections integrating AI literacy as a core component of composition pedagogy.
- Develop assignment and assessment models supporting authentic student learning in AI-rich environments, informing institutional discussions on course design and technology adoption.
- Deliver instruction in underserved and non-traditional environments, including NJSTEP programming at South Woods State Prison and College Readiness Now (dual enrollment, Penns Grove High School).
- Served as Co-Chair, Academic Senate (2022–2023); selected as college ambassador to Princeton University's Convening of the Humanities (April 2025).
- Co-recipient, Academic Excellence Award (2019–2020).

#### ***Salem Community College — Carneys Point, NJ***

##### **Academic Support Lab Coordinator | Senior Instructional Aide / Team Lead**

2013–2016, 2018–2022

- Hired, supervised, and evaluated a team of 8 academic support staff across a high-volume student-facing operation; managed scheduling, performance, and professional development.
- Applied data-informed decision-making to optimize staffing, service delivery, and institutional reporting on retention and student success.
- Expanded and formalized remote and hybrid tutoring infrastructure during institutional transition.
- Served as faculty-administration liaison for academic support initiatives and at-risk student outreach.

#### ***Thomas Jefferson University — Philadelphia, PA***

##### **Academic Development Specialist, Academic Support Services**

2016 – 2018

- Designed and delivered academic support programming, workshops, and instructional materials for health sciences students across multiple disciplines and campuses.
- Hired, trained, and supervised peer tutors and academic support staff across multiple programs; managed scheduling and performance in a collaborative, multi-campus environment.
- Contributed to institutional initiatives in student success and inclusion through service on Title IX committee and academic conduct processes.
- Collaborated across departments in a large, complex university environment requiring strong coordination, communication, and responsiveness to stakeholder needs.

#### ***Saint Joseph's University — Philadelphia, PA***

##### **Chief Digital Consultant / Multimedia Laboratory Manager, College of Arts & Sciences**

2010 – 2012

- Managed multimedia lab operations; supported student digital projects and instructed in tools including Photoshop and Final Cut Pro; supervised and evaluated student employees.

## **PROFESSIONAL EXPERTISE**

- Canvas LMS administration and LTI ecosystem management
- AI integration and policy in higher education
- Accessibility compliance (WCAG 2.1 AA; UDOIT, CidiLabs)
- Outcomes assessment and accreditation (MSCHE Standard V)
- Original tool development (GitHub Pages deployment)
- Team hiring, onboarding, and supervision
- Direct faculty advising on online teaching best practices
- Training materials and documentation development
- Vendor relationship management and technology piloting
- Instructional technology consulting, course quality review, and course portfolio support
- Intermediate Excel and data-informed reporting
- FERPA, ADA, and Title IX compliance

## **SELECTED PRESENTATIONS**
